

RETURNS

PLEASE PRINT THIS OFF AND INCLUDE IT WITH YOUR RETURN

If for some reason you have not fallen in love with our products there is never a problem to return them within 14 days of receiving them. Items must be unwashed, unworn and in their packaging. Please track your item using registered post and pack it in a waterproof/weather proof envelope to ensure it arrives safely to us. If we do not receive it back we cannot refund you.

Unfortunately we cannot accept returns on personalised items or hats so please ensure sizing, text and colours are correct before confirming your order.

If you wish to exchange for another size or colour we recommend reordering online once you have returned your item, stock moves very quickly and we cannot take responsibility that your item will still be in stock.

(If it's outside of the 14 days please email us first on hello@babyboo.ie)
